See Academic Calendar	For Dates

Registration Information

PLEASE remember to keep in conversation with your advisor before you register! You do not want to be surprised when you think you are finished, but are not!

When in doubt regarding intensive dates - your advisor is the final word.

If you do not already have an electronic signature,
please look on the Registrar's page for help.

The Registrar's Office page on the website has any forms (registration/payment/transfer of credit/Application for Graduation) that you will need to submit.

Registration Process

Find the Registration and Payment form on ai.edu under 'Current Students' and then under 'Registrar's Office.'

Fill out personal information (you do not need to know your SID) and add your course numbers and course names. The document is designed to auto-fill much of the financial information, so please double check that the correct boxes are checked and the proper tuition amount is used (that info is on the registration form). Don't forget to add the intensive fee.

Sign the form (electronically or print and sign).

When you are ready to register save the file to your desktop and then email it as an attachment to forms@ai.edu.

If you chose to print and sign then you can scan or fax or mail the form.
