

EMAHCM Cohort 2016

Registration Dates

Please see [Academic Calendar](#) for Pre-registration dates. Registrations not submitted by the end of the Pre-registration period will be assessed a late registration fee.

Registration Information

When in doubt regarding intensive dates - your advisor is the final word (not this guide).

If your employer will be paying your tuition, you may send them the link provided in Populi or use your corporate credit card to make a payment. Statements may be printed from your Populi account.

EMAHCM registration will often include two sessions in any given semester. Payment for both sessions are due at the beginning of the semester.

Registration Process

Meet with your academic advisor to discuss your progress in the program.

After you have met with your advisor, he/she will remove the registration lock on your Populi account.

Log in to Populi. Register for the appropriate classes during the pre-registration period. Remember, you should always have - at least - a 3 credit course and a .5 credit formation course per semester.

Fees, financial aid, and prior balances will be applied to your account during pre-registration. Please check these over for errors.

After pre-registration you will be able to make your payment and complete your registration.

Full payment (or a payment plan) must be made before the semester begins. Aquinas does not bill third parties for payment. The student is responsible for tuition and fees. If a student has not paid by the due date, he/she will be removed from the course until payment arrangements can be made.
