What attracted you to the D. Min. program at Aquinas Institute?

The focus on preaching — becoming a better preacher was primary for me. Also, the faculty's credentials through publishing and involvement in the field.

How have doctoral studies helped you grow as a preacher?

The studies have given me greater awareness of my strengths and weaknesses as a preacher, and practices to improve. All this has given me new confidence in my ability to preach.

What has been the greatest impact on your life and your preaching?

**How necessary it is to preach the Good News well.**

Why should someone consider applying to the Doctor of Ministry in Preaching degree program at Aquinas Institute?
